

LLC "RU SIE AGRINOL"

2000 - 2012

OILS GREASES
CAR CARE PRODUCTS

FROM 2006

The control system of quality of the enterprise (manufacture of products of oil refining and special greasing materials) is certificated under the international standard

DSTU ISO 9001:2009 (ISO 9001:2008)

FROM 2009

A member of **ELGI**

European Lubricating Grease Institute

FROM 2010

REACH active

FROM 2009

A member of **NLGI**

National Lubricating Grease Institute

MAIN PRODUCTS

➤ OILS MANUFACTURING:

- motor oils (car, marine and railway)
- industrial oils
- transmission oils
- axel oils
- hydraulic oils
- power oils
- heat-treatment oils
- special oils

➤ GREASES MANUFACTURING :

- general-purpose greases
- multipurpose greases
- car greases
- industrial greases
- railway greases
- rope and conservation greases
- heat-resistant greases
- low-temperature greases
- special greases

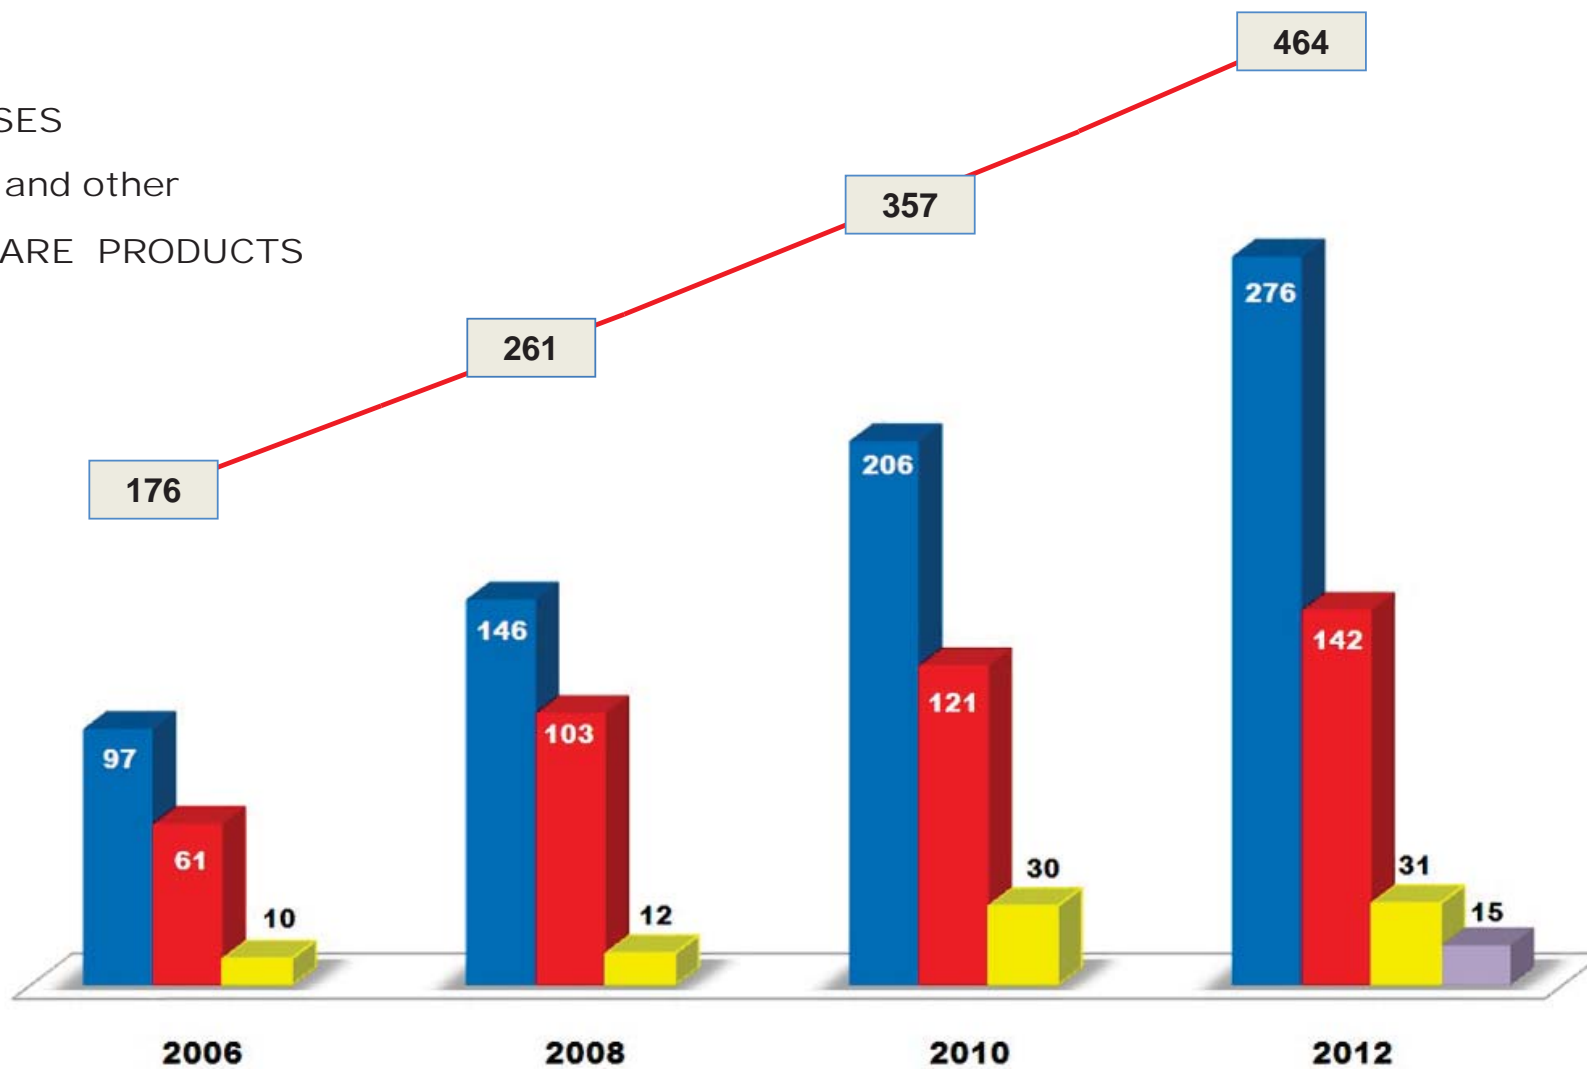

➤ MANUFACTURING of METAL STEEL PACKAGE

- Tight Head steel drum 1A1, 216,5 dm³
- Open Head steel drum 1A2, 213 dm³
- Pail with tightening gird 20 dm³

➤ MANUFACTURING of LCPT (Lubricating and Cooling Technological Liquids)

QUANTITY of COMMODITY OUTPUT KINDS

- OILS
- GREASES
- LCTP and other
- CAR CARE PRODUCTS

MANUFACTURING CAPACITY

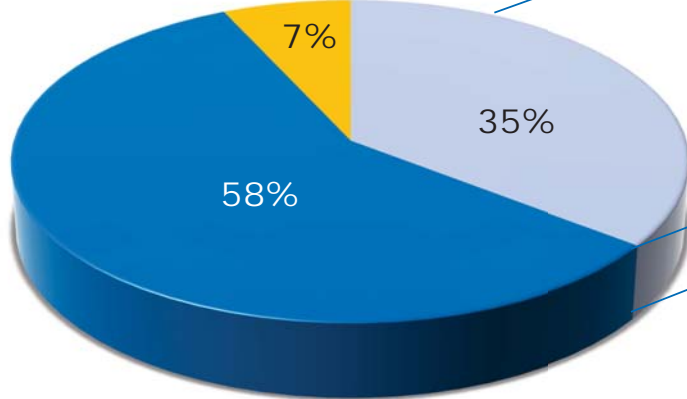

% RATIO of PRODUCTS by TYPE

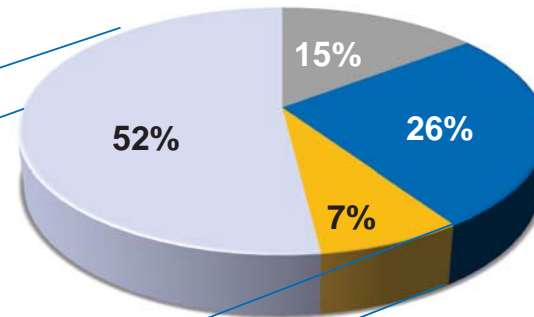

PRODUCT GROUP

Thousands of pieces/year

GREASES	30,8
OILS	50,0
LCPT	6,0

GREASES MANUFACTURING

Thousands of pieces/year

Lithium simple & complex	4,5
Calcium simple & complex	8,0
Sodium simple & mixed	2,3
Semi-fluid greases & special	16,0

PACKING MANUFACTURING

PRODUCT GROUP	CAPACITY
Steel drum , 200L	250 thousands of pieces/year
Metal pails, 20dm ³	500 thousands of pieces/year
Can, 0,5 dm ³ , 1,0 dm ³	1 million of pieces/year

MANUFACTURE

Manufacture of «Agrinol» represents the interconnected **multistage system** of technological processes with the use of the non standard devices specially designed under the concrete technological operation, and also the standard equipment modernized on the own «KNOW-HOW».

- ✓ **compulsory transportation** of raw materials, intermediates and finished goods
- ✓ **automatic dosage** of raw components, management of **viscosity** and **modular condition** of streams
- ✓ **local maintenance** with energy carriers
- ✓ **draining-bulk platform**
for railway and auto tanks

STORAGE FACILITIES

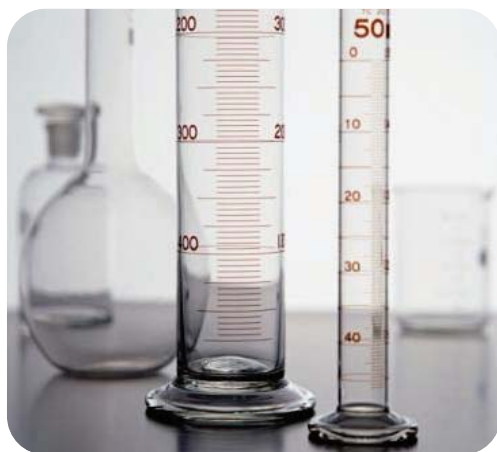

- **first line-up** 4 200 m³
- **second line-up** 6 800 m³

LABORATORY

Analytical laboratory CLL «CIC AGRINOL»

meets all the requirements on quality control of oil products and raw materials for lubricants.

Quality control of raw materials

Control while manufacturing operations

Certification of finished lubricants

Analysis of experimental investigations

PACKING of PRODUCTS

METAL PACKAGE

Can 0,5 dm³

Can 1 dm³

Pail with tightening gird
20 dm³

Open Head steel drum
1A2 213 dm³

Tight Head steel drum
1A1 216,5 dm³

POLYMER PACKAGE

PLASTIC PAIL 10L, 5L

EURO-CARTRIDGE
0,45 dm³

CARTRIDGE
0,31 dm³

TUBE
0,25 dm³

OIL CONTAINER
1L, 4L, 5L, 10L, 20L

PACKING MANUFACTURE

Sub Division of LLC RU SIE "AGRINOL" - manufacturer of metal drums and pails for transportation of oil products, chemicals, ferrous and non-ferrous products, paintwork products.

Assortment of steel drums qualify the requirements of chemical, petrochemical, pharmaceutical and food industry.

Drums are manufactured in accordance with the current requirements of UN on transportation and storage of dangerous cargo, at the same time with observance of national and juridical standards.

INDIVIDUAL ORDERING

For individual ordering SIE "Agrinol" offers:

- ✓ Manufacture of metal drums and pails with the logo of the customer.
- ✓ Painting metal drums into corporate colors.

IMPORT & EXPORT ZONES

SALES GEOGRAPHY

OUR PRINCIPLE PARTNERS:

-  GE NAEK «Energoatom»
 -  Ukraine Railways
 -  NAK «Neftegaz Ukrainy»
 -  Zaporizhstal Integrated Iron & Steel Works JSC
 -  Metinvest Holding
 -  ArcelorMittal Mittal Steel Kryvyi Rig JSC
- and others;*

- ✓ GE «Moldova Railways»
- ✓ JSC «Moldova Steel Works »

-  Nizhniy Tagil Iron And Steel Works
 -  Russian Railways
 -  Novolipetsk Steel (NLMK)
 -  Severstal
 -  AvtoVAZ
- and others;*

And also enterprises of Baltic region and CIS countries.

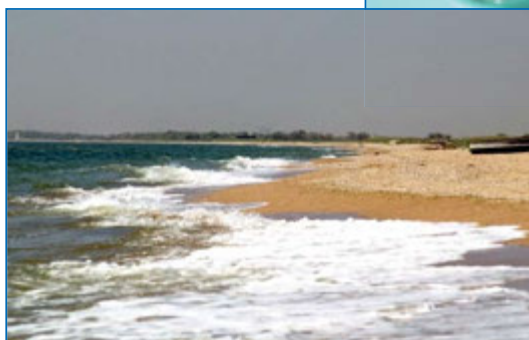

-  JSC «National company Kazakhstan temir zholy»
 -  Bogatyr Coal, LLP
- and others;*

Hope that in nearest future we will proudly add your Company to this list.

SOCIAL SPHERE

For children of employees corporate kindergarten and primary school are established.

Employees have the opportunity of health-improving and rest in own sanatoriums and sport complex.

THANK YOU FOR YOUR ATTENTION!
